

# OTC Network® Mobile App User Guide

The OTC Network® Mobile App allows you to keep track of your balance and easily find eligible items and discounts when shopping at participating retailers – The app is right at your fingertips, 24 hours a day, seven days a week.

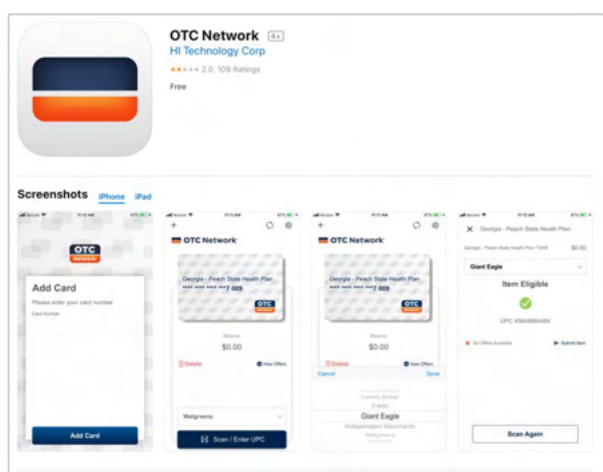

Let's get started!

## DOWNLOAD THE APP

Visit the iTunes App Store or GooglePlay and search OTC Network to download the latest version of the OTC Network Mobile App.

GooglePlay

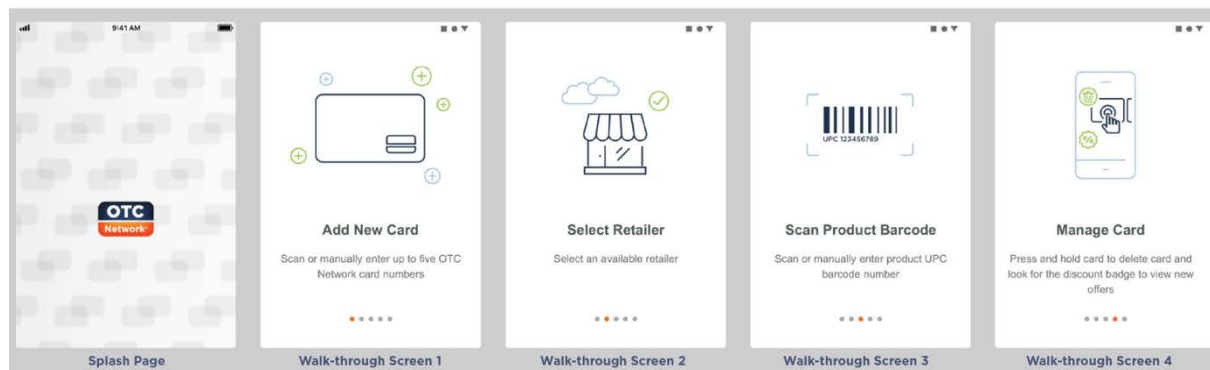

App Store

## HOW TO USE THE APP

### STEP 1:

Once downloaded, open the app and review the tutorial screens.

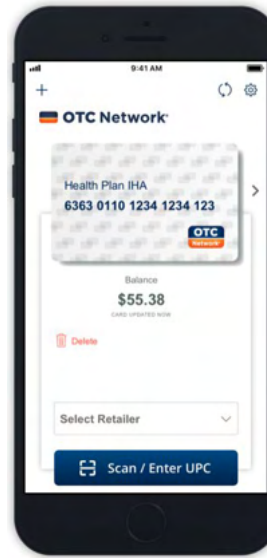

## STEP 2: ADD CARD

Enter your 19-digit card number and the last four digits of your member ID.

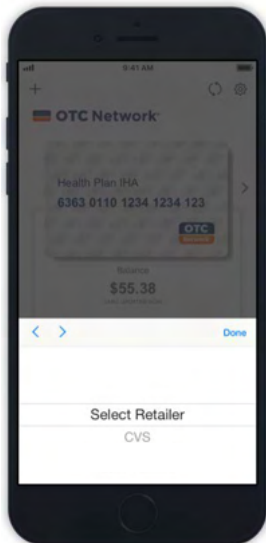

## STEP 3: VIEW CARD BALANCE

Once card number has been added you can view your card balance and start scanning products. "Select Retailer" to get started.

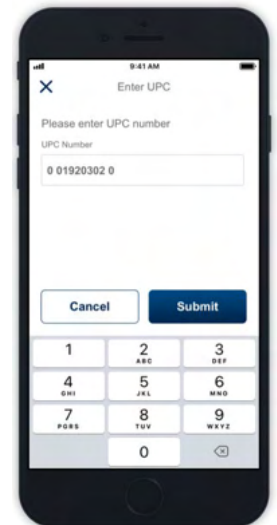

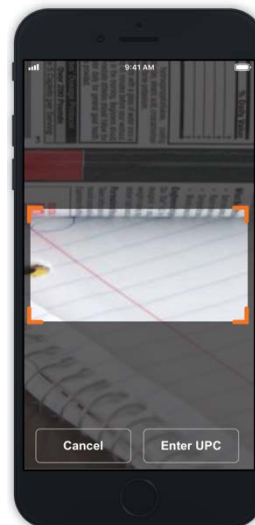

## STEP 4: SELECT A RETAILER

Select the retailer where you are shopping.

## STEP 5: SCAN OR ENTER UPCs

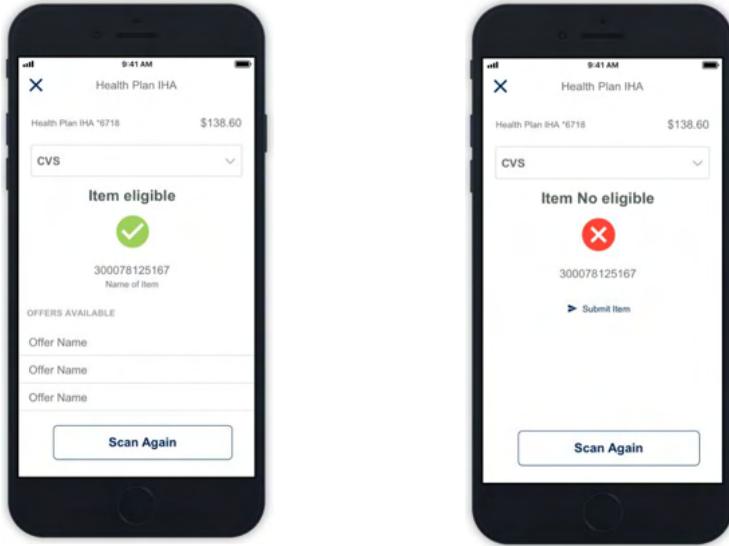

Once the retailer is selected, start scanning products. You will need to allow access to your phone's camera. Or, you can manually enter the product UPC by selecting "Enter UPC".

## STEP 6: PRODUCT ELIGIBILITY

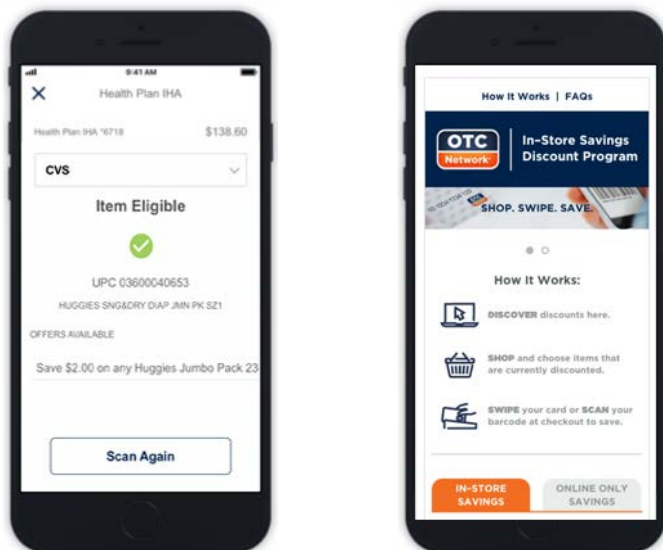

Once the item is scanned or UPC is entered, the eligibility of the item is displayed. To scan another item, select “Scan Again” and repeat the process.

**Please note:** items may be eligible at one retailer, but not at another retailer. (e.g. if the retailer does not sell the item.)

## STEP 7: PRODUCT DISCOUNT AVAILABILITY

If the item scanned/entered has a discount, it will be displayed. **Please note:** not all retailers offer discounts.

To view all available discounts, visit [www.myotcoffers.com](http://www.myotcoffers.com).

**Please note:** screenshots are used for reference only and may not depict your exact experience.
