Notes

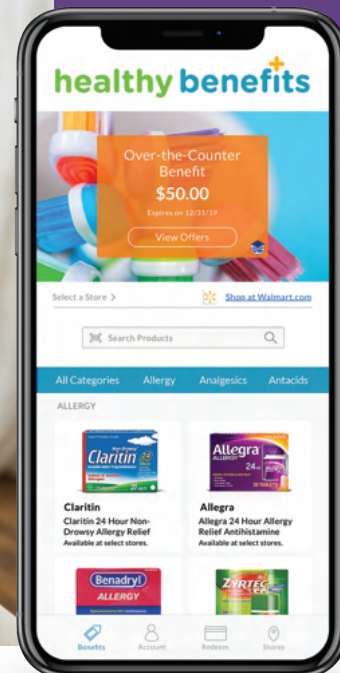

Dual-purpose items

A dual-purpose item is one that can be used for a health problem or for a general purpose. Things like vitamins are dual-purpose items. Talk to your doctor before buying a dual-purpose product. Do not buy a dual-purpose product if your doctor doesn't agree. If your doctor does agree, you may buy the item(s) through your OTC benefit. Dual-purpose products are marked with an asterisk (*). Some items may be covered under Medicare Part B or Part D. For instance, gauze may be covered under Part B when used for dressing a wound.

L.A. Care Health Plan is a health plan that contracts with both Medicare and Medi-Cal to provide benefits of both programs to enrollees.
