The Simply Supplies Program is not intended to replace or substitute your prescription benefit and should not be used as a substitute for your prescribed medications. Always check with your doctor or prescriber before starting or taking any over-the-counter (OTC) medications. Our products include a wide variety of generic products that are comparable to name-brand products. This product list is subject to change. OTC items may only be purchased for the plan enrollee. It is prohibited to purchase OTC items for family members and friends. A monthly or quarterly allowance amount is only available if your plan offers the OTC services as a benefit. Purchase of covered OTC products made under emergency circumstances may be eligible for reimbursement when the monthly benefit allowance is available. The following items are not covered under this Simply Supplies benefit (non-eligible items): alternative medicines (including botanicals, herbals, probiotics and nutraceuticals including garlic, Echinacea, saw palmetto and ginkgo biloba), baby items, contraceptives, convenience (non-medical) items, cosmetics, food supplements, replacement items, attachments and peripherals (including contact lens containers when not factory packaged with original item).
