Get over-the-counter products
every quarter

Remember to keep this catalog.

You'll want to reference it each time you place your order.

Order guidelines

As a Medicare Plus BlueSM PPO plan member or BCN AdvantageSM HMO-POS or HMO plan member, your benefits include the Advantage Dollars program that offers a \$25 quarterly allowance to spend on over-the-counter, or OTC, and food items. Products in this catalog are not subjected to sales taxes and shipping is free.

Over-the-counter items are drugs and health-related products that don't need a prescription, such as allergy medicine, toothpaste, ibuprofen, bandages and glucose tablets. Items purchased online, by phone or by mail may only be purchased through NationsOTC. Please note, the food portion of this benefit is only available if used in a retail location.

If you have any questions, call the Customer Service number on the back of your Blue Cross or BCN member ID card. You can also visit www.bcbsm.com/medicareotc for additional information.

Make sure you have your Advantage Dollars card handy before placing any orders.

For delivery:

Allow two to five business days from the time your order is placed.

- Benefits are available each quarter starting January 1, April 1, July 1 and October 1. Unused benefits won't roll over into the next quarter or the next calendar year.
- Items delivered to the home can only be purchased through NationsOTC. Purchases at all other retailers must be made at the retail locations.
- Your order total will be applied to the benefit period in which the order is received.
- OTC products are intended for member use only to help with a health or medical need. Blue Cross prohibits the use of this benefit to order OTC items for family members and friends.
