

GlobalHealth

2021 Over-the-Counter

Item Catalog

Please keep this valuable booklet nearby. You'll need it to look up the OTC items you want to order. It also contains step-by-step instructions on how to order online or by phone.

GlobalHealth is pleased to provide its members with the Over-the-Counter (OTC) Program. This is a convenient way to get OTC drugs and supplies by mail through your GlobalHealth Medicare Advantage plan.

As a member of GlobalHealth, you are eligible to receive a quarterly allowance for specific OTC products. Please check your Evidence of Coverage for your plan's quarterly benefit allowance. To get started, simply use this catalog to select the item(s) you want, then order online or by phone, and we'll ship your order directly to your door. The OTC Benefit is reset once every three months (quarterly). You can only place one order per quarter. Any unused benefit does not roll over to the next quarter. Your order total cannot exceed your allowable benefit, and we cannot accept payment to purchase items over your benefit. Please note, if you exceed the allowable benefit, your order cannot be processed.

This information is available for free in other languages. Please contact OTC Health Solutions customer service at 1-888-628-2770 and for TTY/TTD assistance please dial 1-877-672-2688, Monday to Friday, 9 AM to 8 PM CT.

What can I order with my OTC benefit?

Eligible Items

On pages 9 through 17, you'll find a list of products that you can order from us and have shipped to your home. These products include non-prescription drugs, also known as OTC drugs, and health-related items. Generally, you can order any of the items listed in this catalog. However, some Dual-Purpose items may require additional information in order to purchase through your OTC benefit.

Dual-Purpose Items

These are medicines and products that can be used for either a medical condition or for general health and well-being. In order to purchase these items, your personal physician must recommend them to you for a specific diagnosed condition. These items are marked with a "◆". Please speak to your physician before ordering these items.

Part B or Part D Coverage

Items that could be covered under your Part B or Part D benefit are marked with a "⊙". When an item is covered by Part B or Part D due to your particular circumstances, you would not use your OTC benefit to obtain the item because it is Medicare-covered under those circumstances, and not part of your OTC benefit. For example, gauze may be covered under Part B when it is being used as prescribed to perform surgical wound dressing changes.

Two convenient ways to place an order.

Choose the way that works best for you:

#1

Online:

The fastest and easiest way to order 24/7 is to visit: **cvb.com/otchs/globalhealth**. Online orders must be submitted by 10:59 PM CT to be processed the same day.

How to place an order through our website:

1. Create an account

- If it is your first time placing an order online, you will need to create an account by visiting **cvb.com/otchs/globalhealth**.
 - Then, choose the “Create Account” button and follow the instructions.
 - You will need your **member ID, date of birth, ZIP code** and **current email address**. If your ID contains more than nine (9) digits, please use only the first nine (9) digits.
 - You will also need to create a password.
- If you need help locating your member ID, select “Get help locating your member ID.”
- Remember to save your password for future orders. You will need your member ID or email address along with your password to sign in again.
- If you forget your password, choose the “Forgot Password?” button to create a new one.

2. Place an order

- Once you are signed in, your benefit amount and balance will be displayed at the top of the page.
- Browse through the available products and add to your basket. Your order total will automatically deduct from your balance at the top of the page.
- When you are ready to place your order, choose “Checkout.”
- On the Checkout page, confirm your shipping address, review your order and place your order. It will arrive within 14 days.
- You will receive an email with tracking information once your order has shipped and another email once your order has been delivered.

Reminder: Orders for each benefit period must be placed by 10:59 PM CT of the last day of the period.

Return Policy: Due to the personal nature of the products, no returns or exchanges are allowed. If you haven't received your order or if you received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order.

- If your item is not in stock, an item of similar or greater value may be substituted in your order.

#2

By phone:

Orders can be placed by calling 1-888-628-2770 (TTY: 1-877-672-2688). You can speak to a live agent Monday to Friday, from 9 AM to 8 PM CT. You can also order 24/7 via our automated IVR system. Please have your ID and order ready when placing your order by phone.

How to place an order by phone (IVR system):

1. Call OTC Health Solutions (OTCHS) using the phone number on file.
2. Once the system locates your account you will be asked to input your date of birth in MMDD format.
3. Account authentication process will start and the system will verify the name and address on the account.
4. Once the ordering process begins, you may order 15 items or less.
5. Please enter the numerical portion of the item code.
 - **Example:** If you would like to order item “B33 unscented wipes,” you will select “33” and wait for the prompt to confirm the item. Once the system locates the item, it will read back the product name and quantity and ask if the selection is correct.
 - If yes, the system will add the item to your cart.
 - If no, the system will provide an option to edit the product or the quantity.
6. Once the order is completed, you will have the choice to review the items in the cart or submit the order.
 - If you submit the order without review, the system will provide a confirmation number and the call will be disconnected.
 - If you want to review your order, the system will allow you to edit the items, start over, submit the order or speak with a representative.

Note: Should you choose to speak to a representative, your items will not be saved and you will have to restart your order.

Return Policy: Due to the personal nature of the products, no returns or exchanges are allowed. If you haven't received your order or if you received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order.

- If your item is not in stock, an item of similar or greater value may be substituted in your order.
